

Statement on: Information requirements for suppliers of articles according to Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), published on 30 December 2006 in the Official Journal of the European Union 396/1.

Company Heinrichs & Co. KG manufactures "turned parts" out of steel. Sole manufacturing site is Germany, 56290 Dommershausen. All steel is purchased within Europe.

The REACH Regulation requires our company, as a "subsequent user" and "supplier of a product", to pass on information along the supply chain.

Information obligation acc. Art. 33- 1 REACH

According to Article 33(1) REACH, any supplier of a product containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0,1 % weight by weight (w/w) shall provide the recipient of the product with sufficient information, available to the supplier, to allow safe use of the product including, as a minimum, the name of that substance.

Part of our products contain the following substances of the current candidate list in concentrations above 0.1 % weight by weight (w/w):

Name: Lead (Pb)
Concentration: 0,35% in steel
0,40% in aluminum
4% in copper alloys (brass)
CAS-No.: 7439-92-1
EG-No.: 231-100-4
Reason for listing: toxic for reproduction

If you have any questions, please do not hesitate to ask your usual contact person at our company.
